

## **Presidential Innovation Fair Award (2025)**

On the 11th of December 2025 at HICC, Radical Systems Pvt Ltd reached a remarkable national milestone by receiving one of the Best Innovation Private Sector for School Management System Award at the Presidential Innovation Fair. The award-winning software called Catvision Integrated System is a full ERP and an IPSAS compliant system developed to streamline both financial and non-financial management processes for creche, academic and tertiary institutions. The software serve as a solution to improve and transform educational administration operations as His Excellence President of Zimbabwe said “Innovation is the bridge between today’s challenges and tomorrow’s opportunities. As a nation, we must continue empowering young minds, entrepreneurs, and technology-driven institutions to create solutions that transform communities and improve lives.”

## **National Excellence Hall of Fame award (2026)**

We are humbled and honoured to announce that our organisation received a prestigious award on the 9<sup>th</sup> of May 2026, at the National Excellence Hall of Fame – Masters of Masters-Legends of Legends event at Rainbow Towers for Excellence in Pioneering Innovations in Technology. This award is more than a recognition but a testament on how boldly we have developed, support, inspire and deliver our products and services to organisation and individuala. National Excellence Hall of Fame said “Our team admires how you have inspired people with heroic ability”. Amongst the products developed by Radical Systems (Pvt) Ltd is Catvision Integrated System - ERP and IPSAS compliant school management software for creche ,academic and tertiary education alongside Business Vision software (Asset Register Module).The award is not our final destination but a launchpad for even great innovations.
